I had deleted the last names of donors as I don't want him looking for them and harassing them.

Mr strumpfer,

I don't dispute that your record is responsive. However, your reply is not responsive. Does GA contend that it does not possess records which reflect the last names of the donors?

Thanks!

Mr. Riskin,

If we were claiming exemptions, we would note it in our communication with you. Our record is responsive to your request.
